

EAI Endorsed Transactions on Scalable Information Systems

Editors-in-Chief

Dr. Xiaohua Jia received his BSc (1984) and MEng (1987) from the Univ. of Science and Technology of China, and DSc (1991) in Information Science from Univ. of Tokyo, Japan. He is currently a Chair Professor with Dept. of Computer Science at City Univ of Hong Kong. Prof. Jia has authored over 200 research papers in the area of distributed systems, computer networks, and information systems. He is an editor of IEEE Trans. on Parallel and Distributed Systems, Wireless Networks, Journal of World Wide Web, Journal of Combinatorial Optimization, etc. He also chairs many international conferences and workshops, including International Vice co-Chair of IEEE Infocom'05, Chair of ACM MobiHoc'08, International Liaison co-Chair of IEEE ICDCS'08, TPC Co-Chair of IEEE MASS'09.

Dr. Hua Wang is a full time professor in Victoria University, Australia. Dr Wang awarded a PhD degree in Computer Science from the University of Southern Queensland in 2004. He has been active in the areas of Information Systems Management, Distributed Database Management Systems, Access Control, Software Engineering and Electronic Commerce. He has participated in research projects on mobile electronic system, Web service, and role-based access control for Electronic service system, and has already published over 160 research papers.

He an Editorial Board Member of The Open Cybernetics and Systemics Journal. He is also a member of the Australian Research Council Network in Enterprise Information Infrastructure.

Special Issues Editor

Dr. J. Amudhavel Department of Computer Science & Engineering

Editorial Board

Ajay Kattapur (Tata Consultancy Services)

Aniello Castiglione (University of Salerno)

Chang Choi (Chosun University)

Cho-Li Wang (University of Hong Kong)

Daniel S. Katz (University of Chicago)

Fabrizio Silvestri (ISTI – CNR, Italy)
Giancarlo Fortino (University of Calabria)
Hamed Taherdoost (Hamta Business Solution Snd)
Heng Tao Shen (University of Queensland)
Houbing Song (Embry-Riddle Aeronautical University)
José Manuel Machado (University of Minho, Portugal)
Jose Merseguer (Universidad de Zaragoza)
Jie Li (University of Tsukuba)
Lin Yun (Harbin Engineering University)
Manik Sharma (DAV University Jalandhar, India)
Mirjana Ivanovic (University of Novi Sad)
Phan Cong Vinh (Nguyen Tat Thanh University)
Raj Gururajan (University of Southern Queensland)
Sherman Chow (Chinese University of Hong Kong)
Silva Fábio (University of Minho, Portugal)
Steve Beitzel (Telcordia)
Tuan Phung-Duc (University of Tsukuba, JP)
Tzung-Pei Hong (National University of Kaohsiung, Kaohsiung City, Taiwan)
Wang-Chien Lee (The Pennsylvania State University)
Weili Wu (The University of Texas at Dallas)
Xueyan Tang (Nanyang Technological University)
Yingshu Li (Georgia State University)
